President's Report:

Randy stated that he received a CD for the Postal Employees Relief Fund and it will be available for viewing at the Local Office.

Randy mentioned that there will be a National Legislative Conference in Washington DC on April 21-22. While this local will not be represented at the conference, the issues the

conference will address, including urging our congressional representatives to resist many of the proposals associated with "postal reform", are still important. It is a good idea, as always, to write the congressional reps and to encourage the Union's members to do the same.

Randy Krueger discussed Arbitrations that are scheduled. He also discussed a training session for casual training.

The new copier that was approved to buy at the December 28th, 2004 meeting for the Local office was discussed, but it has not been purchased yet..
