Presidents Report

Randy Krueger reported that Paul Hogrogian and Sam D' Ambrosio will be here on July 28th and 29th for stewards training. Randy states that the theme is Change! Pace of change will only increase.

President Krueger stated that there is going to be changes in the BMC for more mail. There will be a lot more mail coming from other BMCs and there will be withholding of jobs.

The Local office is still looking at contractor for the HVAC. The bid is \$19000.00

EEO- President Krueger noted a letter that he put out in 2008: The Union will provide resource materials to employee that has an EEO case, nothing else. **Local 333 will not assume representation responsibilities! The union will not be liable, just provide materials!** If any member needs to get a full understanding of this policy, they can contact their steward.

The Mail Handlers Health Seminar will be held in October in New Orleans, LA.

President Krueger also wanted to make clear that when there is a Union meeting, the stewards will be paid for attending these meetings, **not** alternate stewards!

PAC- President Krueger stated that we have 27 PAC (Political Action Committee) contributors! We will have Bob Losee come to our State picnic to gain some support for the PAC! Bob is the Legislative and Political assistant director for the NPMHU> We need more support from our members so we can have Congressmen and Senators fight for us on Capital Hill.

Randy Krueger stated that the Labor Day Parade is coming up and that Jason Vick is the coordinator of this event!

Eric Cory handed out a copy of his report.

Jason Vick motioned to accept his report.
Dave Sapp seconded the motion.
