President's Report

President Randy Krueger spoke about the LIUNA convention that Eric Cory and he attended. Randy noted that there were very good speakers, such as former

President Jimmy Carter and John Edwards. People were encouraged to get employees out to vote at the elections and to get more involved.

Randy talked about contract issues and Return to Work issues with RMO. Employees should ask to see their steward each time they are asked for a return to work note.

Randy also spoke briefly on the RDC changeover at the BMC.

Randy made proposal to purchase a computer for the Local office and the BMC office, and to purchase an external Hard Drive and scanner for \$2900.00
