President's Report

Randy explained to the E-Board that there are some issues in the Council Bluffs and Ft. Dodge facilities that he will be working on in the coming months involving Mail Handler staffing.

Randy reported that a tentative agreement has been reached in the casual cap grievances at the P&DC and that the only issue remaining on the table is who will be paid. He expects that all of the details will be ironed out in the near future.

The bid has come back for the remodeling of both bathrooms at the local office. The project will include new fixtures, paint and tile to match the recently remodeled front office space for the just under \$5000.00.

Dave Freeman, Eric Cory and Randy attended the SAMLU/ RI 399 training held in Minneapolis September 7 – 9th.

Randy announced the Sioux City Branch President Lee Kessler would be stepping down at the end of this year. Randy said that Lee has been a great asset and that he will be missed. Randy stated that it is the responsibility of the E-Board to determine if the Branch President's position should remain or be eliminated and now is the time to discuss the matter.
